Julie (Sroga) Rios, MD

Julie (Sroga) Rios, MD has been a faculty member at the University of Cincinnati since 2012 after completing a fellowship in Reproductive Endocrinology and Infertility at the University of Cincinnati College of Medicine. She is board certified in Obstetrics and Gynecology and Reproductive Endocrinology and Infertility. She graduated from Wright State University School of Medicine in Dayton and was a resident at The Ohio State University Medical Center in Columbus, Ohio. Dr. Rios is an Associate Professor at the University of Cincinnati College of Medicine, an active member of the American College of Obstetricians and Gynecologists and of the American Society for Reproductive Medicine. Dr. Rios shares her time between Cincinnati Children’s Hospital Medical Center and the University of Cincinnati as the director of fertility preservation and oncofertility services at both institutions.
