## Emma Giuliani, MD

Emma Giuliani, MD is a board-eligible Reproductive Endocrinology and Infertility specialist. She completed her residency in Obstetrics and Gynecology at Michigan State University/Grand Rapids Medical Education Partners and her fellowship in Reproductive Endocrinology and Infertility at the University of Michigan. Joining The Fertility Center in September 2020, Dr. Giuliani brings with her a passion for caring for individuals with infertility. Some of her special interests include fertility preservation as it relates to oncology patients, recurrent pregnancy loss, and endometriosis.

Dr. Giuliani believes in the importance of providing her patients with personalized, comprehensive, and compassionate care and scientifically based evaluation and treatment. She is fluent in English and Italian.
